Signal Proxy Intelligence Recommends Full Support for All Five Items at DIGITAL TURBINE, INC. Annual Meeting

Independent research firm publishes item-by-item recommendations on all five ballot measures within 3 days of the company's proxy filing. (Exceeds SPI's standing 48-hour / T+2 commitment; the time stated above is the actual elapsed time to publication.)

NEW YORK, NY - Signal Proxy Intelligence, the independent proxy research division of Signal Law Group, today published its recommendations for the Aug. 25, 2026 annual meeting of DIGITAL TURBINE, INC.. SPI issued a recommendation on each of the five items on the ballot, published 3 days after the company's definitive proxy statement was accepted on EDGAR.

Reviewing the ballot from the perspective of the common shareholder and using publicly available information only, SPI assigned the meeting a concern band of Routine. The firm recommends FOR on the advisory vote on executive compensation, citing that the filing states prior stockholder approval of executive compensation was 87% of shares present and entitled to vote.

> *"This ballot presented no divergences from the board's recommendations. Each item was assessed under our published framework, and the full rationale for every recommendation is documented in the report."*
>
> **Hayden Smith**, Head of Proxy Research

On the election of directors, SPI recommends FOR the director nominees as presented on the ballot.

SPI will publish a separate post-meeting divergence report comparing its recommendations to those of the incumbent proxy advisors after the meeting results are available.

The complete item-by-item analysis, including the rationale for each recommendation, is available at https://www.signallawgroup.com/proxies/digital-turbine-inc-2026-08-25/.
