Signal Proxy Intelligence Publishes **FOR** Recommendations on All Six Ballot Items at THERIVA BIOLOGICS, INC. Ahead of Aug. 3, 2026 Annual Meeting

Independent research firm publishes item-by-item recommendations on all six ballot measures within 48 hours of the company's proxy filing.

NEW YORK, NY - Signal Proxy Intelligence, the independent proxy research line of Signal Corporate Intelligence, today published its recommendations for the Aug. 3, 2026 annual meeting of THERIVA BIOLOGICS, INC. (NYSE American:TOVX). SPI issued a recommendation on each of the six items on the ballot, published within 48 hours after the company's definitive proxy statement was accepted on EDGAR.

Reviewing the ballot from the perspective of the common shareholder and using publicly available information only, SPI assigned the meeting a concern band of Routine. The firm recommends FOR on the advisory vote on executive compensation, citing that filing states current available shares are insufficient for awards needed over the next twelve months.

On the election of directors, SPI recommends FOR all one director nominee.

The complete item-by-item analysis, including the rationale for each recommendation, is available at <https://www.signallawgroup.com/proxies/theriva-biologics-inc-2026-08-03/>.
